News 7 new results for Hydraulic Fracturing

Comments mixed on proposed hydraulic fracturing regulations
Billings Gazette
Wyoming has mixed feelings about federal regulation of hydraulic fracturing, and the public response to a
series of rules proposed by the U.S. Bureau of Land Management earlier this year likely won't make the
federal agency's upcoming decision any easier.

Feds Planning to Regulate Hydraulic Fracturing Despite State Successes
Canada Free Press
Hydraulic fracturing allows for the production of oil and natural gas in shale rock that tightly holds oil and
natural gas resources. To hydraulic fracture the shale, water, sand, and chemicals are pumped
underground to break apart the shale rock and ...

Next front in fracking war: Colorado Springs
San Francisco Chronicle
The Colorado Springs rally comes three weeks after citizens in Longmont overwhelmingly voted to ban
hydraulic fracturing over similar concerns. State officials and the oil and gas industry say local
governments can't set their own drilling rules, but ...
